Parish Council at Sacred Heart & St. Ann's

If you are a parish member at Sacred Heart or St. Ann's and are interested in putting your name on the ballot for Parish Council in August, please contact Christine Quist at stanns@cdolinc.net or 402-984-8110 by July 24th. We need at least 9 names for Sacred Heart and 5 names for St. Ann's.

St. Ann's council members will serve for two years. The three names that receive the most votes will be our new council members with meetings starting in September 2026. We do NOT meet during the summer months. Meetings are the second Monday of each month (September- May) at 6:30pm.

Sacred Heart council members- We will elect six people. The three names with the most votes will serve for two years. The three names with the least votes will serve for one year. This is because we are starting up a new council. Every year we will vote for three new people. After serving for one term, you must be off the council for at least one two-year term before running again. Parish Council meetings will be quarterly after Mass on Sunday.

Mission Priest here July 11th & 12th

Fr. Joseph Ithari Gaitho will be visitng our Parishes on July 11th and 12th. He is from the Catholic Diocese of Nakuru in Kenya-East Africa. It is composed of two counties: Nakuru and Baringo. Baringo county is a semi-arid area and experiences perennial droughts due to unfavorable weather conditions. Therefore, hunger and lack of water is rampant. Some sections of Nakurur County are affected by a high rate of poverty. This has led to abandonment of newly born. Many parents are unable to care for their children so they will just vanish and leave them on their own leading to being taken to orphanages/children's homes. As a diocese, we run these orphanages, 7 in number (approx. 1200 children), others become street children. One of the orphanages is to rehabilitate these street children. Adding to the injury is the high cost of living caused by lack of political goodwill in the country. Some of our projects are feeding the starving in the community, providing water, helping the children with food, clothing, medical care, education, and spiritual well-being.
