Charity & Stewardship Pledge Cards we be mailed out to you by the end of this week. Enclosed are letter, your pledge card, and an addressed envelope to mail your pledge card back to the Diocese. Thank you for your generosity!

From Fr. Sughroue's May 8th email sent to all parishioners: ..I also wanted to let you know an update for opening up the parishes. The Catholic Churches in Grand Island are closed until June 1st. After consulting with a trusted doctor, some of you, and praying about it I have decided to wait until **June 1st** for St. Anns and Sacred Heart. I know for some this will be difficult news to hear. I know there is the theory of "let's get back to normal", at this time I cannot in good conscience open the churches up. I long to get back to "normal" and to once again have you all in the church, but I cannot let those feelings drive my decision. I have to err on the side of caution and the advice I received from the doctor that I spoke with.

The Heartland Disaster Recovery Group has been working with Midland Area Agency on Aging to find solutions for assisting homebound seniors in the community with social/emotional supports as well as meeting the needs that some have for grocery and prescription pick up. We are initiating a new network of relationships called The Friendship Network.

We are seeking community volunteers (of any age) to be conversation partners and pen pals. If volunteers are able to provide for things like grocery/medication pick-up we will link them with individuals who need that service. The primary goal is to give another connection to the community for those who are more vulnerable and homebound. Volunteers can get connected by signing up through this site: www.go2volunteer.org or they can email me: disaster@heartlandunitedway.org to get a volunteer application form.
