“The Emmaus Institute for Biblical Studies is now accepting registrations for **online** summer classes. Course topics include *the Gospels, the Eucharist, Mary, and the Creed*. Learn more at www.emmausinstitute.net.”

The Heartland Disaster Recovery Group has been working with Midland Area Agency on Aging to find solutions for assisting homebound seniors in the community with social/emotional supports as well as meeting the needs that some have for grocery and prescription pick up. We are initiating a new network of relationships called The Friendship Network.

We are seeking community volunteers (of any age) to be conversation partners and pen pals. If volunteers are able to provide for things like grocery/medication pick-up we will link them with individuals who need that service. The primary goal is to give another connection to the community for those who are more vulnerable and homebound. Volunteers can get connected by signing up through this site: www.go2volunteer.org or they can email me: disaster@heartlandunitedway.org to get a volunteer application form.
