Pope's October Prayer Intention

That all workers may receive respect and protection of their rights, and that the unemployed may receive the opportunity to contribute to the common good.

LEARNING MOMENT

Great Desires, Humility, and Peace

Contempt – and indifference even more than contempt – is hard to accept. We must swallow the bitter fall of being left aside as insignificant while the idol of self is obliged to bow its head. But in this taste of death for our nature, there is also a taste of divine life, because it is in the measure that we die to ourselves that we live in God, that Jesus takes a greater place in us.
