LEARNING MOMENT

Great Desires, Humility, and Peace

Jesus expects to find it (peace) at least in the hearts of His friends, since it is the heritage which we have received from Him. He finds it so seldom! . . . war is everywhere. And the profound cause of this discord is the pride of nations and of men. It is through the hearts of those who love Him and whom He has filled with His divine peace . . . that Jesus radiates peace in the world. The first way to work for peace in the world is to let Jesus establish it in our souls.
