Mass Etiquette: Things To Do And Not Do In Mass

NO Food and Drink in Church The exceptions would be a drink for small children, water for the priest or choir (if discreet) and water for those who are ill. Bringing a snack into church is not appropriate, because we want to set the church apart as a place of prayer and reflection.

LEARNING MOMENT

Humble Confidence

Let us now talk about His love for you, personally. ...Recall your first prayers, your confirmation, your first Communion, that first union of your soul with Him; your infidelities, small and great, Jesus picking you up again, becoming for you so many times the Good Shepherd, running after His little lamb, carrying it back in His arms; the absolution you have received so often in the sacrament of Penance, this pouring out of His divine Blood, which purifies you in an instant. Why again do you have this grace of being chosen to be a part of a Christian elite? Because you have been loved with predilection. There is no other explanation.

"I am praying for them..." JOHN 17:9 Prayer is the

foundation of our Faith and the foundation of

Stewardship. Pray in good times and in bad. Prayer is always the first best option in any situation, not just the last resort. Pray for friends and family and for those that don't treat you very well. Pray to give praise, to thank and to ask God for help. Pray to see what God wants you to do with the gifts He has given you.
