

ANNOUNCEMENTS

For many years I have replaced the low-burning candles on the altars and have kept the vigil light always lit. My health no longer permits me to perform these tasks so someone else now has the honor.

The annual **Nebraska Walk for Life** is January 14th, 2017. This will be the 43rd year that Nebraska Right to Life puts on this event which draws thousands of Nebraskans to Lincoln, first to the State Capitol and then ending at the UN-L Student Union to hear the keynote speaker. This year's speaker, Rebekah Buell, will tell the story of how she reversed her chemical RU-486 abortion and saved the life of her young son who will be present with her at the Walk. In recent years a medical technology was devised to reverse the killing impact of RU-486 on the developing baby and more women are finding out about this life-saving option. Rebekah's story is full of inspiration for reaching out to those who are at risk of chemical abortions from the three abortion facilities in Nebraska and those in Kansas and Colorado which also draw women from our border.
