

ANNOUNCEMENTS

Your immediate action is needed to stop a bill in our State Legislature that would be harmful to our society and that would attack religious freedom. LB 586 would make "sexual orientation" and "gender identity" protected classifications under Nebraska's employment laws. All persons, including those who experience same-sex attractions, have inherent human dignity and must be treated with respect. But LB 586 would require employers, including entities and schools of the Catholic Church, to affirm sexual activity outside marriage between a man and a woman, and gender identity as a social construct. Employees could not be prevented from promoting such lifestyles. Employers who fail to comply with the new law could be put out of business through lawsuits and monetary damages. There is no religious exemption for the Church or employers of conscience, and proposed amendments do not provide sufficient protection. Please call or e-mail your senator as soon as possible by phone or e-mail with the message: **Please oppose LB 586.** More information is available, and you can e-mail your senator quickly and easily online, at www.necatholic.org ("Take Action"). Senators can also be reached by calling the Capitol at (402) 471-2788.

“After John had been arrested, Jesus came to Galilee proclaiming the gospel of God...” – Mark 1:14 Do you ever think about how difficult it must have been for Jesus to come into Galilee, knowing that John had just been arrested for teaching the same message that Jesus was proclaiming. It must have taken great love and trust for Jesus to do what the Father had sent Him here on earth to do. In the same way, following a life of stewardship takes great love and trust from us. We must be willing to surrender completely to God, trusting that God will always give us all that we need to fulfill His plan for us.
