LEARNING MOMENT

A Mass stipend is an offering which a person makes to a priest with the understanding that the priest will offer a Mass for the intention of the person who makes the offering. It is not correct to call this offering a donation. A donation is something which is given to another without any agreement or condition, without any resulting obligation on the part of the person who receives the donation. A Mass stipend is not a donation because a priest, when he accepts it, binds himself by a serious obligation to offer a Mass for the intention of the person who gives the stipend.

There are a several Masses in July that do not yet have intentions. If you would like to have a Mass offered for yourself or a loved one, please contact the office as soon as possible.

The usual stipend in the Diocese of Lincoln is \$10 however, Fr. Sughroue will gladly offer Mass without an offering.

Envelopes available in the vestibule.

Mission Appeal for the Diocese of Kottapuram – June 26

Situated in Kerala in the southwest region of India as it juts into the Arabian Sea, the Diocese of Kottapuram is geographically full of islands and villages with about 25,000 Catholic families out of a population of 100,000 families – Christians, Muslims and Hindus. With an economy based on fishing, and with monsoons and other fluctuations of weather, the people experience great hardships. In love and charity the Diocese offers many programs to assist, support and empower children, women, fishermen, young, old, Catholic, and non-Catholic. Father asks, "On behalf of my Bishop Joseph Karikkasery I request your prayerful support and financial assistance to continue all the good works for the sick and suffering, irrespective of caste and creed, and to support the vocation to the priesthood."
