Marriage Saving- the Post Session Phase – The post-weekend phase of Retrouvaille is as crucial to the healing of a troubled marriage as the initial weekend experience. During the post-weekend sessions, the weekend technique is further developed and combined with additional tools to explore other areas of the marriage relationship. “We know that all things work for good for those who love God, who are called according to His purposes.” – Romans 8:28 Do you really trust God? Do you believe that all things work for good? Faith is a challenge for everyone at times. Putting our trust in God, in everything we do, means that God’s plan for our lives may be different than our plan. When one door closes, another one opens. Trust in God, His plan is always better.
