U.S. abortion policy is far more permissive even than the policies of most European countries. Thirty-nine of the forty-two European countries that allow elective abortion permit it only in the first 12 weeks of pregnancy.

- **Only seven countries, including China and North Korea, permit elective abortion after 20 weeks of pregnancy. Currently Nebraska is 1 of 4 states Excerpt from:**

St. Ann's Altar Society: We want our parish families to be aware that we have a Prayer Shawl Committee: These Prayer Shawls are gifted to members of our parish family who are experiencing life-altering events such as a severe illness/disease, death in the family etc. Prayer blankets are available for the men and children of our parish. The purpose here is to wrap the members of our parish family in the love of God and let them know that the church is praying for them in their time of need. Contact Charlene Hruby (402-984-3327) or Chris Quist (402-845-2707) with your request.
